*I had you Bishop  
for your generous  
gift!*

Dear Bishop Steinbock,

Thank you for your most generous support! Your second gift of \$2,000.00 from the Diocese of Fresno toward your pledge to our Fund Campaign will enable us to continue to assist priests, deacons and women and men religious who come from dioceses or communities who cannot afford treatment. *Because of your generosity, no priest, deacon, or religious is ever turned away for a lack of funds.*

You join us in helping those who have spent their lives helping others. And I am pleased to report that more than 80% of those who have entered our program return to an active, appropriate ministry. Barely a week goes by without my hearing: "Saint Luke's saved my life." You have helped us to save the vocations of many priests and religious.

Jesus promised us that our generosity would be returned to us one-hundred fold. May the abundant graces so evident here at Saint Luke Institute be showered upon you and your loved ones.

Thank you again for joining us in saving the vocations, and often the very lives, of so many of our priests and religious.

Sincerely yours in Christ,

Rev. Msgr. Stephen J. Rossetti, Ph.D., D.Min.  
President and CEO
